It's what we do

Update My Address

Please note that if you are also an employee of the business and still contributing to Pace DC you will not be able to update your address via Member Online. You will need to update your address via MyHR **here** which will then be passed across to our systems.

1 From the homepage click on 'Personal Details'.

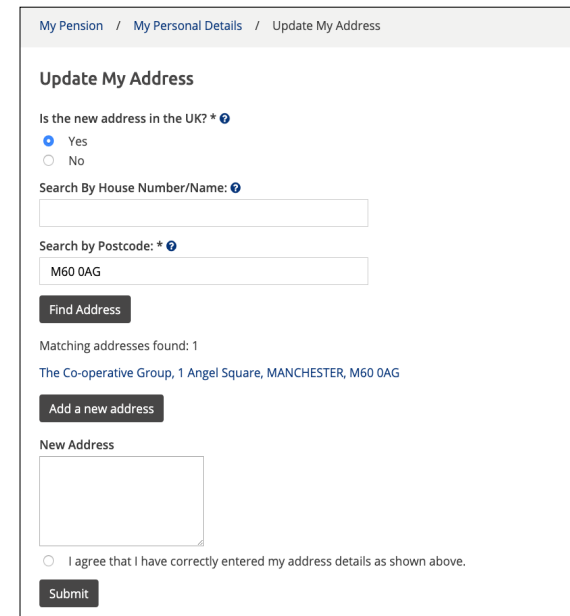

2 Click on the 'Update My Address' button.

3 Select whether your address is in the UK or not.

If you select UK you can then enter your postcode and we will find your address.
